

## The Park Rules for White Horse Park Homes

### Preface

In these rules:

- “occupier” means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement
- “you” and “your” refers to the homeowner or other occupier of a park home
- “we” and “our” refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

The rules also apply to any occupiers of park homes who rent their home, with 3 exceptions. The only rules which do not apply to occupiers who rent their home is rule 1, 22 and 23 about the exterior of the home and compliance with safety legislation as someone renting their home would not be responsible for the exterior maintenance of the home or for ensuring compliance with safety legislation on appliances supplied with the home.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply only from the date on which they take effect, which is 1 October 2018; and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

### External Decoration

1. Homeowners must maintain the outside of their park home in a clean and tidy condition. Where the exterior is repainted or recovered homeowners must use reasonable endeavours not to depart from the original exterior of the colour scheme.

### Condition of Pitch

3. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.

5. You must not erect fences on the boundary of your pitch. Trees or hedges as a means of enclosure are acceptable providing the trees or hedges planted do not exceed the height of comparable means of enclosure on other pitches and comply with the park's site licence conditions and fire safety requirements.

### Age of Occupants

6. No person under the age of 45 years may reside in a park home with the exception of the owner, the owner's family, or any employee of the owner. For the avoidance of any doubt, no children may reside permanently in the park home.

### Business Activities

### Note

The express terms of a homeowner's agreement contain an undertaking on the part of the homeowner not to allow anything which is or becomes a nuisance, inconvenience or disturbance to other occupiers at the park and this undertaking extends to the behaviour of pets and animals. A similar requirement not to cause a nuisance applies to tenants and again this includes the behaviour of pets and animals.
